When calling for Police or Fire department assistance please dial 1 which will connect you to a County dispatcher. For emergencies please dial 911 instead of calling 768-2527. For non-emergencies you may call 345-6350 directly to speak to a dispatcher. PLEASE if you are calling 768-2527 for a non-emergency police complaint do not leave a message in the officers voice mail regarding the complaint to assure a prompt response rather dial 1 or 345-6350.
